New Business

Budget Discussion
- Were provided a final budget from last fiscal year as well as an estimated budget for 2018/2019.
- The numbers on the estimated budget are not final and subject to change
- Confidential information, if you would like to receive a copy of these numbers or have any questions regarding the ARC Budget in general; contact Janet Konami at jakonami@uci.edu.

REPORTS

Building Activities Report
- Greg was asked to provide a 4 year building and individual usage (similar to survey we looked at in the past)
  - Specific numbers and usage statistics will be presented next meeting

Facility improvements
- Working with Capital Planning for Assessments
  - Talking with consultants regarding potential expansion
    - The funds for this would have to come from a new student referendum
  - The plan is to potentially build a new student health center
**Department updates**

**Shower Tiles**
- Problems with grout cracking in the showers was not ideal
- Began to mold so now all of the tile has to be re-done which will most likely run to Early May
  - Cost is $30,000
- As of now shower trailers are being rented and are available in the pool area
  - There is a lifeguard to supervise and there is a privacy screening between the men and women’s sections.
  - Showers open between (6:30am-8pm) and on weekends (8:30am-8pm)

**Yoga Fest**-May 11th
- Free for all students + those who have all access instruction passes
- The main gym will be closed during these sessions but some other spaces will be left open (fitness lab, wellness lab, backcourt gym, outdoor courts)
- Volunteers might be needed to help with registration and moderation
  - If interested speak with Greg
  - The program and Yoga-Fest T-shirt design available [here!](#)
