Women's Rugby

Women's Rugby faced USC on Friday night, routing the Trojans 32-5. The Eaters dominated the entire match, with Isabel Jimenez and Markayla Cozzoli taking home Co-Players of the Game honors. Their next match will be February 20 at home against Occidental College.

Men's Rugby

Men's Rugby was matched up this weekend against defending league champion Long Beach State. Long Beach scored twice, early, taking a 14-0 lead, but UCI was able to cut the lead in half midway through the first half on Viliami Vunipola’s first career try for the Eaters. Despite a valiant second-half effort from UCI, the visiting 49ers, Sweet Sixteen finishers at last year's national championships, showed their strength, scoring 60 unanswered points to end the match 74-7. Men's Rugby will next play at home February 21, as they take on cross-county rivals Cal State Fullerton in the battle for the Higgins Cup.

Women’s Soccer

Women's Soccer dismantled Mt. Saint Mary’s on Sunday, dealing the visitors a 9-1 thumping. Bonnie Gonzalez turned in a hat trick, and Amber Habowski (2), Elena Aguilar, Stephany Lopez, Gabby Lopez, and Naomi all contributed to the scoring barrage. Women’s Soccer will next take the field February 21st at CSU San Marcos.

Men’s Lacrosse

UCI Men’s Lacrosse took on CSU Channel Islands in what turned out to be a back and forth goal-scoring affair. UCI struck first with two early goals, but by halftime, CSUCI was able to cut into the lead. Three quick goals after the interval put Channel Islands ahead of the Eaters, but a furious comeback from UCI would help put them back in front for a stellar 10-7 victory. Michael Phan received Player of the Game honors. Men’s Lacrosse will next play Wednesday night, February 11, at home versus Claremont.

Figure Skating

*From 1/24 -- UCI Figure Skating made its first ever appearance at UCSD's Team Maneuvers Event back on January 24, finishing fifth overall.*

This weekend, skater Marian Rogers traveled to the University of Denver to represent UCI. Rogers finished fifth out of eight skaters at the “Juvenile” level. Her performance was highlighted by her first successful single axel in competition.
