FRUITY SWIRL CHIA PUDDING

**Ingredients**

Swirl one- orange:
- 1 cup mango, defrosted if frozen
- 3/4 soy milk
- 1/4 cup coconut oil, melted
- 1 small banana
- 1 tablespoon chia seeds

Swirl two- purple:
- 3/4 cup blueberries or berries of choice, fresh or frozen (defrosted if frozen)
- 1/2 cup non-dairy milk
- 2 tablespoons coconut oil
- 1 tablespoon chia seeds
- 2-4 teaspoons agave syrup
- nuts and extra fruit to garnish

**Directions**

- Step 1: In a microwave safe bowl, combine coconut oil and soy milk
- Step 2: Heat until oil is melted (20 seconds to 1 minute)
- Step 3: Combine all the remaining swirl one ingredients in a blender and mix until smooth (to prevent the coconut oil from firming back up, make sure everything you use is at room temperature)
- Step 4: Pour a thin layer of the orange mixture in the bottom of a serving glass and add nuts and fruit at this time if you are using them
- Step 5: Repeat the blender process with the second swirl
- Step 6: Pour on top of the slightly firmed orange mixture and swirl together
- Step 7: Refrigerate until completely firm and serve with more chia seeds sprinkled on top
