

Fresh Apple Jello

Ingredients:

Serves 6- 8

2 cups fresh apple juice

1/2 Cups of fresh orange Juice

1 teaspoon Agar Agar Powder

Cut strawberries

Directions:

1. In a saucepan combine apple juice, orange juice and agar agar powder whisk well. Bring mixture up to a boil, whisking to make sure the powder dissolves.
2. Pour mixture into greased molds and sprinkle in strawberries, if using.
3. Cover and refrigerate for 1 hour, or until set. Depending on the size of your mold the setting time will vary.
