Creating an IMLeagues account couldn’t be easier!
Just follow the steps below (you will need to access your email account to complete registration) and then search for your team or create a new one! There are two simple options:

- Create a standard account OR
- Create an account linked to your Facebook

Create a Standard Account

1. Go to www.imleagues.com/uci and click **SIGN UP**

   You should be taken to a Registration Page like the one to the right 🔄

   **NOTE:** Do NOT sign up with Facebook unless linked to your @uci.edu address

2. Enter your personal information in all the fields (phone number, birth date, etc.)
   
   *Ensure your email is an active account you use, you will receive emails from IMLeagues and UCI Intramurals periodically.*

3. Answer the “Human Verification” question; the answer is often a simple phrase or code listed in the picture or your opinion of a product/company.

4. Click **Create Account**

5. You will be sent an activation email, **click the link in the email to login and activate your IMLeagues account.**

6. You should be automatically joined to your school – If not, you can search for University of California, Irvine by clicking the “Schools” link
Create an account linked to your Facebook (ONLY if linked to your @uci.edu e-mail address)

1. Go to [www.imleagues.com/uci](http://www.imleagues.com/uci) and click "Sign Up With Facebook"

2. Sign in with your Facebook account information

3. Click "Okay" to allow IMLeagues to access your Facebook

4. On the “Facebook Registration Request,” you should click "Create New Account"

   If you already have an existing account and are just linking your Facebook, click “Link to Existing Account.”

5. Enter a password, year in school, and date of birth. Click "Create Account"

6. You should be taken to your IMLeagues home page, as displayed below. To join the UCI network, click "Register" in the center of the page

7. Search for “University of California, Irvine,” scroll over our result, and click "Join School"

8. Confirm your year in school and which campus you most identify with and click "Join School"

9. You should receive a confirmation message like below and then you are all set on the site!
