I. Eligibility

All participants are subject to Campus Recreation Eligibility Rules which are listed in the Campus Recreation Intramural Handbook.

Please Note: Players may not participate in two or more teams in any division and in the same sport during the Intramural season. Players may however play in a coed league or in a men’s/ women’s league at the same time. IFC is considered a men’s competitive division and therefore will follow the same guidelines as described earlier. Participants who are in violation of this policy shall be banned from the sport. Furthermore the team will forfeit that game and receive a sportsmanship rating of an one. Managers are responsible for their player’s eligibility. Ignorance is no excuse. You have been warned.

II. The Game, Players, and Equipment

A. Tennis shoes/ basketball shoes on the court. Black soled shoes are not permitted on the court.

B. Depending on the number of teams a single elimination, double elimination, or round robin followed by a single elimination tournament will be used.

C. If your team is not present when we call your team we will forfeit your game. If you are late you will not be given any warm up times.

D. 6 players constitute a team. In coed 3 females must be on the court to start the game.

E. To start the game all players must start at the end line. At the sound of the buzzer/whistle players will run towards the center of the court to retrieve the balls. Balls will be placed near the center line.

F. A player is out if:
   1. He/she is hit by a ball.
   2. Their opponent catches a thrown ball.
   3. Using a ball to block a hit the held ball is dropped.
   4. He/she crosses the centerline at any time.

G. There will be a 5 minute running clock. After time has expired the team with the most players on the court will be declared the winner.

H. Stalling is not allowed. In the final minute a 10 second shot clock will be used. A player stalling will be out.

I. After time expired and both teams have identical number of players, a sudden death shall be awarded. All players will return to the court to start the over time period. The first team to eliminate a player is declared the winner.

J. Players that are out must be off the court.

K. If you catch your opponent’s ball, the first player who was out from your team can come back in the game. In coed, players coming in after a caught ball must be alternating genders.

L. You can not kick the ball.

M. You can not use the walls to help attack an opponent or dodge a ball.

“Campus Recreation Staff and Intramural Staff reserves the right to deny participation to anyone (player or spectator) that fails to demonstrate proper sportsmanship.” (CONDUCT OF PARTICIPANTS AND SPECTATORS: IM Player Handbook)

The Intramural Officials and Intramural Supervisors at the time of play shall have the power to make decisions on any matters or questions not specifically covered in the Intramural Rules.

“Any protest or player ejection ruling will be reviewed by the Intramural Sportsmanship Advisory Board. The Intramural Director will make the final ruling on these issues and matters not covered in the UCI Intramural Rule Book or in the Intramural Players Handbook.” (INTRAMURAL SPORTSMANSHIP ADVISORY BOARD: IM Player Handbook).
