
Sailing pass and boat rental fees, policies and procedures were developed jointly by UCI Campus Recreation and the City of Newport Beach.

Sailing Passes & Boat Rental Fees

- Eligible sailors may utilize Marina Park boats by either purchasing a sailing pass or renting boats at an hourly rate
- Passes and boat rentals are available to individuals ages 18 and over
- Sailing pass numbers may be limited to ensure boat availability
- Passes and boat rentals are available to individuals ages 18 and over
- Sail pass and hourly rental rates will be posted on the Campus Recreation website
- In addition to the required rating prerequisite, individuals and guests must confirm they have the ability to swim 50 yards and are able to communicate with boating staff. Spouses, significant others and dependents may join a rated skipper member on a boat. Unrated individuals may not skipper a boat at any time.
- All passes are annual (except full-time student 3-month option). The Sailing Pass begins on day of purchase and expires one year from that date.
- Passes must be renewed immediately upon expiration. Any lapse may result in a loss of pass and/or require re-rating
- Rated sailors must remain active and sail a Marina Park boat a minimum of one time per six-month period in order to remain rated

Rating Process

- All "Sail Pass" candidates must register for and successfully pass a UCI Campus Recreation administered ratings test in order to secure a rating, based upon availability. Ratings may take up to seven business days to process.
- Each ratings class will include basic familiarization with the boat and an on-water assessment
- A written test will be administered only to participants who pass the on-water assessment
- Separate ratings classes and test sessions are provided for: "Dinghy" "Keelboat" "Spinnaker" "Racing" and "Keelboat Ocean". A member with a keelboat rating that is interested in reserving a dinghy, must obtain a separate/additional rating in the dinghies
- The Dinghy rating is not required to obtain a Keelboat Rating
- The Dinghy rating will be conducted in the RS Quest. A dinghy rating includes the use of Lido 14
- Option to reserve a Sabot is included in all rating types
- The ratings application form is the cover page of the written ratings test
