Amid ongoing concerns about the coronavirus (COVID-19), Campus Recreation continues to closely monitor the latest reports from campus and has taken a number of precautionary measures in support of the health and safety of our patrons and colleagues.

Effective Monday, March 16, the Anteater Recreation Center and Crawford Hall pool will be closed until further notice.

Fitness and Instructional Programs
Effective Monday, March 16, all Fitness and Instruction related programming will be suspended until further notice.

Intramural Sports Program
Effective Monday, March 16, all Intramural programming will be suspended until further notice.

Club Sports
All Club Sport programming is suspended through spring quarter. This includes practices, home and away competitions, travel, fundraisers, and in-person athletic training services. Club officers will be emailed updates as they become available.

We appreciate your continued focus practicing social distancing.

Campus Recreation recognizes this is a dynamic situation and encourages all members of the campus community to support each other during this time. Campus Recreation leadership is meeting regularly to address and enact prevention and response efforts and remains available to answer questions and assist individuals, as needed.

Thank you for your support.

Sincerely,
Greg Rothberg
Director, Campus Recreation
