UC Irvine Campus Recreation

MEMBERSHIPS

REFER A FRIEND.
YOU BOTH GET THE GOODS.

November - December 2026

Refer someone who purchases a non-student ARC membership and you'll each receive a Campus Recreation gym bag and cooling towel.

Memberships for UCI Faculty & Staff start at only $40/month.

Refer A Friend promotion requires each new member to complete a referral form.

(See Program Terms & Conditions on page 2.)

Membership information and referral form:

Refer a Friend Program Terms and Conditions

1.Eligibility

- Referring Member: Must be a current, paying ARC member or a currently enrolled UCI student with an active ARC membership. Membership must be in good standing, with all membership dues fully paid. Temporary pass holders (example: free trial memberships or day pass visitors) do not qualify.
- Referred New Member: Must be eligible to purchase a non-student ARC membership and must not have held an ARC membership on or after Nov 1, 2025.
- All paid non-student ARC memberships qualify, regardless of membership duration or payment method.

2.How to Qualify

- Successful Referral: A referral is considered successful only when the referee signs up and successfully pays for an ARC membership between November 1 and December 23, 2026.
- Referral Process: The new member must provide the referring member's full name in the referral form when purchasing the membership.
- A qualifying referral is required. New members who join without a referral are not eligible for the promotional gift set.

3.Rewards & Incentives

- Referral Reward: Upon meeting successful referral eligibility, both the referring member and referred new member will receive one (1) Campus Recreation gym bag and one (1) ARC cooling towel, while supplies last.
- Limitations: The referring member and new member may only receive this promotion one time. If the new member refers another new member, the referring member will be limited to the one (1) promotion.

4.Membership Policies

- Membership Cancellations: ARC memberships are nonrefundable and nontransferable.
