

August 3, 2026

Thank you for being a part of the Anteater Recreation Center community.

We are reaching out to inform you that ARC membership rates will increase effective January 4, 2027. This is the first membership rate adjustment since 2022 and reflects rising operational costs associated with maintaining our facilities, equipment, programs, and services.

If you are considering rejoining the ARC, there is still time to take advantage of current membership rates. Memberships renewals purchased before **January 4, 2027**, will be honored through the duration of the membership term purchased. The new rates will apply to memberships purchased or renewed on or after January 4, 2027.

Whether your goals include fitness, recreation, wellness, or community, the ARC remains committed to providing a high-quality experience through our facilities, programs, and services. To view membership options, current rates, and updated rates effective January 4, 2027, please [visit our FAQ page](#).

We appreciate your past support of the ARC and hope to welcome you back soon. If you have any questions, please contact the ARC Sales Desk at camprec@uci.edu.
