

August 3, 2026

Thank you for being a valued member of the Anteater Recreation Center.

We are writing to inform you that ARC membership rates will increase effective January 4, 2027 for existing members. This is the first membership rate adjustment since 2022 and reflects rising operational costs associated with maintaining our facilities, equipment, programs, and services.

This adjustment will help us continue providing the high-quality facilities, programs, and services that support the health and wellness of the UCI community.

What this means for you:

- To keep a seamless transition, we are moving all members to this new price point.
- If you have an active membership that expires after January 4, 2027, your current rate will remain in effect through the end of your membership term. The new rates will apply when you renew.
- If you are enrolled in payroll deduction, the new rate will take effect on your next billing cycle on or after January 4, 2027.
- No action is required if you wish to continue your membership.

As a courtesy during this transition, current payroll deduction members who choose not to continue at the new rate may cancel their membership and have the standard one-year commitment requirement waived. To do so, please submit a [Payroll Change Form](#) by November 30, 2026.

Updated membership rates and additional information can be found [on our website](#).

We appreciate your continued support and membership. If you have any questions, please contact the ARC Sales Desk at camprec@uci.edu or (949)824-3738.
