

For UCI Students starting in Fall 2019

# Incoming Anteater Adventure

Sun Sept 8 - Wed Sept 11  
\$325

The UCI Incoming Anteater Adventure will be the first step towards a successful collegiate experience. It will serve as a starting point for community building, networking, and campus engagement. We will camp near a SoCal Beach, paddle in the Newport Back Bay, rock climb Ortega Falls, and all the while learn more about ourselves and our fellow incoming anteaters. This college transition is an important period that will set you up for success for the rest of your college life!

We'll provide the gear, the food, and the expertise you'll need. All you have to do is bring yourself and your willingness to learn about your surroundings and peers! Start off the year right by joining the Incoming Anteater Adventure!

**"I was starting to get nervous about starting at UCI. The Incoming Anteater Adventure helped with that. I'm so glad I decided to come to this trip!"** said by a past participant
